

The Child Care Workforce in Guilford County - 2003

Fact Sheet and Resources for the Child Care Workforce

This fact sheet summarizes key Guilford County findings from a recent statewide survey of the child care workforce in which **90** directors, **601** teachers and **107** family child care providers responded from Guilford County. On the reverse side is a list of local and statewide early childhood resources that provide personal or professional assistance for the child care workforce.

Education

- *Degreed professionals.* In Guilford County, **21%** of center directors, **19%** of teachers, **5%** of assistant teachers and **8%** of family child care providers have at least an Associate degree in early childhood education (ECE) or a related field. A higher percentage of workers have a degree in any field (see the chart). Among child care workers statewide, **50%** of directors, **30%** of teachers, **19%** of assistant teachers and **20%** of family child care providers have a degree in any field.
- *Coursework.* Most child care professionals in Guilford County have taken college courses at some time. This includes **97%** of directors, **87%** of teachers, **70%** of assistant teachers and **78%** of family child care providers who have taken at least one course in any field. Additionally, **32%** of directors, **22%** of teachers, **26%** of assistant teachers and **23%** of family child care providers are currently taking courses in the early childhood field.

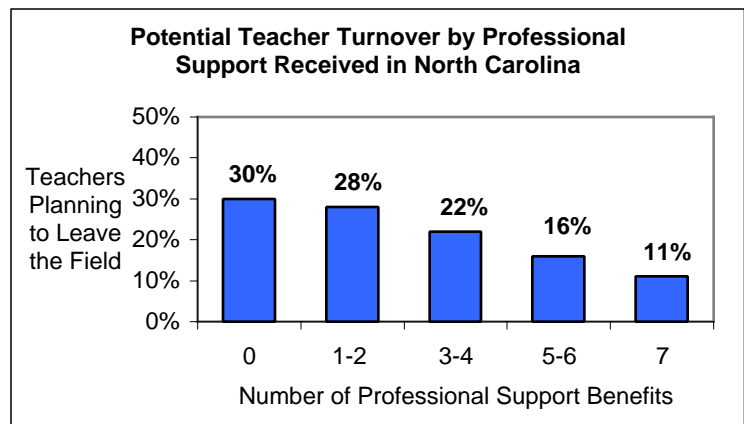

Wages and Benefits

- *Median wages.* Center directors in Guilford County earn **\$12.00** per hour, teachers earn **\$8.35** per hour, assistant teachers earn **\$7.50** per hour and family child care providers earn **\$6.64** per hour. Statewide median wages are **\$12.00** per hour for center directors, **\$8.05** per hour for teachers, **\$7.51** per hour for assistant teachers and **\$5.71** for family child care providers.
- *Public assistance.* Countywide, **36%** of teachers and assistant teachers have needed at least one type of public assistance (e.g., TANF, Medicaid, Food Stamps, etc.) in the past three years.
- *Salary supplements.* Currently, **36%** of directors, **36%** of teachers, **15%** of assistant teachers and **30%** of family child care providers in Guilford County receive a salary supplement.
- *Overtime compensation.* Of the centers responding countywide where staff work overtime, **75%** report paying staff at time and a half.
- *Health insurance and sick leave.* Of the centers responding countywide, **8%** pay for the full cost of health insurance, **39%** provide partial assistance for health insurance and **59%** provide paid sick leave. Moreover, **29%** of teachers and assistant teachers and **27%** of family child care providers have no health insurance from any source.
- *Professional support benefits.* Of the centers responding countywide, **77%** help staff pay for education or training expenses, **44%** provide paid time off for training and **57%** provide paid preparation or planning time.

Experience and Turnover

- *Experience.* Countywide, directors have **13.0** years of experience in the child care field compared to **5.4** years for teachers, **5.5** years for assistant teachers and **6.0** years for family child care providers. Furthermore, **16%** of directors and **27%** of teachers and **35%** of assistants have been in their current center less than one year.
- *Turnover.* Directors in Guilford County report that **27%** of full-time teachers and assistants left their child care center last year. The statewide turnover rate is **24%**. Teachers who receive high levels of professional support from their centers (e.g., paid planning time, support for educational expenses, etc.) are more likely to say that they will remain in the child care field than teachers who receive less support (see the chart for statewide data).

All data are based on a 2003 statewide workforce survey performed by Child Care Services Association as part of the N.C. Needs and Resources Assessment conducted by the FPG Child Development Institute and funded by the N.C. Division of Child Development.
