

## T.E.A.C.H. Early Childhood® NC Scholarship Program

The T.E.A.C.H. Early Childhood® Scholarship program is offered statewide and designed to provide educational scholarship opportunities for early educators including NCPK and infant toddler educators working in licensed facilities. Additionally unique scholarship programs are available for specialists within the early care and education system. The T.E.A.C.H. Early Childhood® scholarship program offers a variety of scholarship options to study Early Childhood Education at all 58 community colleges and 16 bachelor degree granting colleges and universities across North Carolina. Typically, comprehensive core scholarships provide partial support for the following: in-state tuition, books, travel and if applicable, release time.

### ***General Eligibility Criteria***

Employees of licensed child care programs including GS-110 licensure-exempt programs are eligible. For most models an early educator must have the sponsorship of their employing child care program and earn less than \$15.00 per hour. However, partial scholarships may be available for educators earning just over the maximum. Each scholarship has additional eligibility criteria specific to the scholarship model. For more information about additional criteria, please contact the T.E.A.C.H. Early Childhood® Scholarship Program. Current scholarship programs and enhancements are described below.

### **Early Childhood Credential Scholarship Programs**

- North Carolina Early Childhood Administration Credential Scholarship Program  
The North Carolina Early Childhood Administration Credential scholarship offers child care center administrators a chance to earn their administration credentials. Recipients can enroll in up to 12 credits hours towards the NC Early Childhood Administration Credential. Recipients receive bonus upon completion of their credential and agree to fulfill a specified commitment period.
- Child Development Associate (CDA) Credential Direct Assessment Scholarship Program  
The CDA Assessment scholarship provides partial financial support to candidates to assist with the cost of the direct assessment fee administered by the Council for Early Childhood Professional Recognition. Recipients receive a bonus upon attainment of their credential and agree to fulfill a specified commitment period.
- Child Development Associate (CDA) Certificate Renewal Scholarship Program  
The CDA Certificate Renewal scholarship provides early educators the opportunity to receive financial support toward the renewal of their CDA certificate. This support can be toward the cost of the renewal fee and/or toward completing the 3 credit hour course training required for renewal. Recipients receive a bonus upon attainment of their renewed certificate or the completion of their contract. Recipients agree to remain employed in their sponsoring program or continue to operate their home- based program for a specified commitment period.

### **Early Childhood Associate Degree Scholarship Programs**

- Quick Start/ Final Step Early Childhood Associate Degree Scholarship Programs  
The associate degree option for the Quick Start-Final Step Scholarship is intended for use by early educators who are either just beginning their entry into an associate degree program or who are on track to earn their degree and need no more than 6 credits to graduate. Upon successful completion of this contract, they are awarded a bonus and are required to fulfill a specified commitment period.
- Early Childhood Associate Degree Scholarship Program  
The Early Childhood Associate Degree Scholarship allows early educators the opportunity to enroll in 9-15 credit hours of coursework per year as they pursue a credential, diploma or degree in early childhood education. Upon successful completion of their contract, scholarship recipients receive either a raise or bonus. Recipients agree to remain employed in their sponsoring program or continue to operate their home- based program for a specified commitment period.
- Early Childhood Associate Degree Scholars Program (stipend- based)  
The Associate Scholars Scholarship Program is for aspiring early educators enrolled or eligible to enroll full time in an Associate Degree Early Childhood program. A specified commitment period is required based on the number of stipends received.

## **Early Childhood Bachelor Degree Scholarship Programs**

- **Quick Start/Final Step Bachelor Degree Scholarship Program**  
The bachelor degree option for the Quick Start-Final Step Scholarship is intended for use by early educators who are just beginning their entry into the bachelor's degree program or only need no more than 6 credits to graduate. Upon successful completion of their contract, they are awarded a bonus and are required to fulfill a specified commitment period.
- **Early Childhood Bachelor Degree Scholarship Program**  
The Early Childhood Bachelor Degree Scholarship allows early educators the opportunity to enroll in 9-15 credit hours of coursework per year to work toward a Bachelor's Degree in Child Development or Birth-Kindergarten Education at a partnering university. Upon successful completion of their contract, scholarship recipients receive either a raise or bonus. Recipients agree to remain employed in their sponsoring program or continue to operate their home based program for a specified commitment period.
- **Early Childhood® Bachelor Degree Practicum Only Scholarship Program**  
The Practicum Only Scholarship is available to early educators in the classroom who are pursuing a Bachelor's Degree and have to complete student teaching away from their place of employment. The scholarship provides a stipend during the semester when they are fulfilling their student teaching requirement. Upon graduation, the scholarship recipient agrees to remain in the field for a specified commitment period.
- **B-K Licensure Scholarship Program**  
The B-K Licensure Scholarship is available to early educators in classrooms who already have a Bachelor's degree and wish to pursue their B-K licensure. They can enroll in 9-15 hours of coursework per year at a partnering university. Upon successful completion of their contract, scholarship recipients receive a bonus. Recipients agree to remain employed in their sponsoring program or continue to operate their home based program for a specified commitment period.
- **B-K Licensure Practicum Only Scholarship Program**  
The Practicum Only Scholarship is available to early educators in the classroom who are pursuing a B-K License and have to complete student teaching away from their place of employment. The scholarship provides a stipend during the semester when they are fulfilling their student teaching requirement. Upon graduation, the scholarship recipient agrees to remain in the field for a specified commitment period.
- **Preschool Add On License Scholarship Program (stipend-based)**  
The Preschool Add On License Scholarship is available for teachers in NC Pre-K classrooms who already hold a license in Elementary Education, Child Development, or Special Education. The scholarship offers graduated stipends to support course enrollment based on the teacher's educational plan. Recipients of the Preschool Add On scholarship will receive a bonus when they attain the Preschool Add On license. Scholarship recipients agree to continue working a specified commitment period is required based on the number of stipends received.

## **Master's Degree in Education (Emphasis in Early Childhood Leadership and Management) Scholarship Program**

The Master's Degree Scholarship is available to individuals who are working in a licensed facility or in an early childhood focused organization. Recipients can enroll in 9-18 credits per year leading to a Master's Degree at one of the two partnering universities. Following the completion of each contract, individuals will receive a bonus and agree to work for a specified commitment period.

## **Early Care and Education Community Specialist Scholarship Program (stipend-based)**

The Early Education Community Specialist Scholarship program is available to individuals who are working in an early childhood focused organization and pursuing an associate degree, a bachelor's degree, or completing graduate level courses in early childhood education. Recipients of the Early Care and Education Community Specialist Scholarship will receive a stipend for each course taken. Individuals agree to continue working a specified length of time in their employing organization.

## **Contract Renewal Bonuses**

The Early Educator Contract Renewal Incentive Program provides an additional bonus to eligible T.E.A.C.H. associate or bachelor scholarship recipients who care for infants or toddlers or work in an NCPK classroom. The extra bonus will be issued to the recipient in recognition for successfully completing all requirements of the scholarship contract and for renewing another T.E.A.C.H. contract for the following year.
