T.E.A.C.H. Early Childhood® NC Early Educator Contract Renewal Incentive Program

What is the T.E.A.C.H. Early Educator Contract Renewal Incentive Program?

The T.E.A.C.H. Early Educator Contract Renewal Incentive Program is an added feature within the T.E.A.C.H. Early Childhood® scholarship program that rewards early educators for their continuous course enrollment on a degree pathway.

An added bonus of \$300 will be issued to associate, bachelor degree, or birth to kindergarten licensure scholarship recipients after they successfully complete a T.E.A.C.H. annual contract and continue on to renew another new contract.

Who is eligible for the bonus?

An early educator who is currently a recipient of a T.E.A.C.H. associate degree, bachelor degree, or birth to kindergarten licensure scholarship is eligible for the additional bonus if the recipient

- Works in a NC licensed child care facility
- Completes 9 credits with a grade of C or better on their previous T.E.A.C.H. associate, bachelor, or birth to kindergarten licensure scholarship contract
- Renews another T.E.A.C.H. scholarship contract; and
- Provides documentation of completing at least 6 credits during the first two semesters of the renewal contract period.

What does the scholarship recipient have to do to receive the renewal bonus?

In order to be eligible for the renewal bonus, the scholarship recipient MUST have submitted all grades and returned a signed renewal contract to T.E.A.C.H. If the recipient also meets other remaining eligibility criteria then no further action will be needed. Your scholarship counselor will be able to proceed with issuing the bonus.

Will T.E.A.C.H. require my employer to provide a matching bonus?

No. The contract renewal bonus will be provided by the T.E.A.C.H. Early Childhood® scholarship program. The employer will only be required to provide compensation that is specified in the scholarship contract. However, the employer may provide a matching bonus if it chooses to do so.

What is considered successful academic performance during the first semester?

Successful academic performance is defined as C or better in all coursework.

What if a recipient's age group changes during the middle of the renewal contract after receiving the bonus?

If the scholarship recipient starts teaching a different age group, that will not affect their contract renewal incentive bonus (CRIB). However this could necessitate changes for their current scholarship contract. It is important for any employment changes to be updated with a T.E.A.C.H. counselor.
