The Early Care and Education Workforce in Region 6
2013 Fact Sheet for Early Care and Education Centers

This fact sheet summarizes key Region 6 findings from a recent statewide survey of the early care and education workforce in which directors, teachers and assistant teachers participated from Region 6. Region 6 is comprised of Cabarrus, Mecklenburg, Rowan, Stanly and Union counties. A 25% random sample of licensed centers serving children from birth to five years of age was surveyed. Surveys were returned from 70% of directors and 41% of teachers and assistant teachers in those programs.

Region 6 has a mix of star rated licensed centers and both public and private programs. In the Region 6 centers that responded, 78% of children enrolled are in 4 or 5 star care. Sixty-eight percent (68%) are in for profit programs, 22% in non-profit centers and 9% in public programs.

**Education**

- **Degreed professionals.** In Region 6, 43% of center directors, 29% of teachers and 12% of assistant teachers have at least an associate degree in early childhood education (ECE) or a related field. A higher percentage of providers have a degree in any field; 75% of directors, 52% of teachers and 27% of assistant teachers (see the chart). Among early care and education professionals statewide, 77% of directors, 54% of teachers and 42% of assistant teachers have a degree in any field.

- **Other educational credentials.** Region wide, 91% of directors and 20% of teachers and assistant teachers have the N.C. Early Childhood Administration Credential. Similarly, 3% of directors and 5% of teachers and assistant teachers have the B-K/Preschool add-on license in addition to their bachelor’s degree.

- **Coursework.** Most child care professionals in Region 6 have taken college courses at some time. This includes 100% of directors, 92% of teachers, and 75% of assistant teachers who have taken at least one course in any field at any point in their lives. Additionally, 16% of directors, 25% of teachers and 16% of assistant teachers are currently taking courses in the early childhood field.

**Experience and Turnover**

- **Experience.** Region wide, directors have 17.8 years of experience in the child care field compared to 11.0 years for teachers and 7.0 years for assistant teachers. Furthermore, directors have been in their current centers for a median of 7.0 years. Teachers have been in their programs for 3.0 years and assistant teachers 1.0 year.
• **Prospective Turnover.** When asked, 7% of directors, 20% of teachers and 24% of assistant teachers said they did not think they would be in the field in three years. Statewide, “better pay” was listed as the number one incentive in all three groups to keep them in the field with “better benefits” listed as number two by both teachers and assistant teachers.

• **Turnover.** Directors in Region 6 report that 16% of full-time teachers and assistants left their child care center last year. The statewide turnover rate for full-time teacher and assistant teachers is 17%. Broken down by position, 20% of full-time teachers left their center last year compared to 20% statewide and 3% of full-time assistant teachers left their center last year compared to 9% statewide.

**Wages and Benefits**

• **Median wages.** Center directors in Region 6 earn $16.83 per hour, teachers earn $11.00 per hour and assistant teachers earn $9.50 per hour. Statewide median wages are $15.00 per hour for center directors, $10.15 per hour for teachers and $9.25 per hour for assistant teachers.

• **Public assistance.** Region wide, 41% of teachers and 46% of assistant teachers have needed at least one type of public assistance (e.g., TANF, Medicaid, SNAP/food stamps, etc.) in the past three years.

• **Other compensation.** Of the centers responding region wide where staff work overtime, 85% report paying staff at time and a half. For teachers, 9% report working a second job while 10% of assistant teachers likewise said that they have other employment to make ends meet.

• **Health insurance and sick leave.** Of the centers in the region, 9% pay for the full cost of health insurance, 35% provide partial assistance and 57% provide no financial support for health insurance for their employees. Moreover, 34% of teachers and 41% of assistant teachers have no health insurance from any source. When teachers get sick, 21% of centers provide between 1 and 5 days of paid sick leave per year and 49% give 6 or more days. However, 30% of centers provide no paid time off for illness.

• **Professional support benefits.** Of the centers responding region wide, 88% help staff pay for education or training expenses, 73% provide paid time off for training and 77% provide paid preparation or planning time.
