

2018-2019 Caswell County Pre-Kindergarten Services Information

What is Pre-Kindergarten? Pre-Kindergarten (Pre-K) is a fun and exciting learning opportunity for children. During this time, children develop many skills which make the transition to kindergarten easier. Pre-K classrooms operate at least six hours a day, Monday through Friday from late August – June. The program is free to qualifying families, except for minimal lunch fees when families do not qualify for free/reduced priced meals. Funding for Pre-K classes comes from Title I, Head Start, and NC Pre-K. Each funding source has different eligibility criteria. By submitting a NC Pre-K application you will be considered for all possible placements. Pre-K classes are located at Caswell Community Head Start and Caswell County Schools (North, Oakwood, and South Elementary Schools). Please indicate which site you would like for your child to attend on the NC Pre-K application.

Should I apply? In order to apply to the Caswell County Pre-K Program, your child must be:

- 4 years old on or before August 31
- A resident of Caswell County

Other factors that may be used to determine if your child is eligible include:

- Living in household with low income
- Concerns from a doctor about health or learning issues
- Having an IEP (Individualized Education Program) and/or educational need
- Having a parent who is an active duty member of the armed forces
- Speaking a language other than English at home

- Caswell Community Head Start prioritizes children following Head Start guidelines. For more information, call 336-694-5053.
