

A checklist for choosing a quality child care program.

Research is now available that can help parents make a better child care choice for their children. When you visit a child care program, find out the answers to the questions below.

Use this checklist as a guide in comparing programs. If you can answer **yes** to most or all of these questions, then your child will have a greater chance of having a successful child care experience.

Child Care Center *Checklist*

- yes* *no* Do child care teachers have credentials and degrees in early childhood education or child development?
- yes* *no* Are child care teachers who do not have credentials or degrees taking college courses to earn them?
- yes* *no* Are there low child/teacher ratios so that children can receive lots of individual attention all day?
- yes* *no* Is the child care center director an experienced child care administrator with formal education in early childhood education and child care administration?
- yes* *no* Does the child care center have low turnover of teachers, less than 20% each year?
- yes* *no* Does the center meet higher than minimal licensure standards by either having a 3 to 5-star rated license or a national accreditation through the National Association for the Education of Young Children (NAEYC)?
- yes* *no* Are the teachers well paid and receiving benefits?
- yes* *no* Do parents have an opportunity to be involved in the center as volunteers in the classroom and on an advisory committee or board?
- yes* *no* Do teachers wash their hands often and help the children wash their hands?
- yes* *no* Are there lots of materials and activities, such as blocks, puzzles and art supplies available for the children to explore all day long?
