

Shape NC brings together three major statewide programs:

Be Active Kids®—an innovative, interactive health program for children ages birth to five that is available to adults working in child care centers, child care homes, and schools across North Carolina.

www.beactivekids.org

Go NAP SACC works with child care programs to set young children on a lifelong path to healthy eating and activity.

www.gonapsacc.org

Preventing Obesity by Design—an on-going comprehensive, health promotion design intervention focused on the outdoor environments of child care centers.

www.naturalearning.org/pod

This innovative project targets child care centers serving a high proportion of children from low income families focusing on children's health and well being in the counties of Durham and Orange. The Corporation for National and Community Service grant requires communities to support the work through a direct cash match of awards.

How You Can Participate:

Contribute at www.childcareservices.org or send contributions to: **Child Care Services Association, PO Box 901, Chapel Hill, NC 27514.**

** Your investment will be matched with equivalent dollars from the Corporation for National and Community Service up to \$400,000. Helping children learn early on how to live a healthy life will lessen the risk of health issues later and prevent chronic illness.*
