Re: Notify CCSA of families transitioning to DSS vouchers

Dear Child Care Providers,

You are receiving this e-mail because you currently support a child or children using Child Care Services Association's Scholarship Program. We recently became aware that Durham DSS' Child Care Voucher Program has awarded a number of new vouchers to clear their waiting list and is continuing to pick up eligible families from the community.

**If one of your families on Scholarship through CCSA is awarded a DSS Voucher, please let us know right away.** We perform regular client crosschecks throughout the year with DSS and work cooperatively to be sure we do not dually serve any families. Your assistance in this matter also helps your child care program to avoid potential re-payment of scholarship funds.

**To report your acceptance of a DSS Voucher for a child currently using a CCSA Scholarship,** please email [scholarship@childcareservices.org](mailto:scholarship@childcareservices.org) with the **child's name and voucher start date** or call 919-403-6950 to speak with me or any member of the Scholarship team.

Please let us know how we can help you if you have questions.
