Re: IMPORTANT: Update about November and December Parent Fees for CCSA Scholarship

Dear Child Care Providers,

The parent fees for children on a Smart Start - Durham Regular or Wrap Care - NC Pre-K scholarship will be paid by CCSA for the months of November and December 2021. Parent fees for these children and months will be included in your regular CCSA deposit. We hope that receiving November and December parent fees along with your regular monthly payment will help alleviate some of the challenges caused by the delayed receipt of your August through October parent fee payments from DCDEE.

An announcement regarding the source of your January parent fee payments will be sent in January. Parents on Smart Start or Wrap scholarships should NOT be charged parent fees for July 2021 through January 2022 because you will receive these payments from another source.

Please see the updated chart below outlining who is responsible for parent fees based on month and funding source. Do not hesitate to contact us if you have any questions regarding the source of your parent fees or which funding source applies to the children you serve.

Current parent fee details are summarized in the following chart:

Funding Source	Who is responsible for parent fees?	Dates Covered
Smart Start - Durham Regular, Wrap Care - NC Pre-K	DCDEE/CCSA*	July 2021 - January 2022
UNC - Employee	Parents	July 2021 - January 2022
UNC - CCFAP Student	Parents	July 2021 - January 2022
UNC - Fee-Pay Student	Parents	July 2021 - January 2022
County - Orange County	Parents	July 2021 - January 2022
Durham PreK New - DPK Only	CCSA	Sept 2021 - June 2022

\*The parent fee payments for Smart Start - Durham Regular and Wrap Care - NC Pre-K will be covered by CCSA For July, November, and December 2021 and by DCDEE for August, September, and October 2021.
