Re: Updated Rates for CCSA Scholarship

Dear CCSA Scholarship Providers,

Last month, we announced an update to our rates for 0-3 year olds in addition to a change in our payment policy allowing all providers to receive our rate regardless of your tuition rate. You can find this [announcement](#) on our [Scholarship Provider Webpage](#) if you would like to review it.

This month we are excited to announce that we will also be updating our rates for 4-5 year olds and schoolage children to those from the [2018 Market Rate Study](#). Our updated rates are attached to this email and can also be found on our [webpage](#).

These rates will take effect with our July payments. If you have been charging families overage where allowed, please check our updated rates to see if an overage still applies or how much your overage fee will decrease. Please remember that where CCSA offers enhanced rates above state reimbursement rates (rates in bold italics on the rate chart) facilities are not allowed to charge any overage (except for families on UNC scholarships).

If you have any questions, please don't hesitate to reach out to us at scholarship@childcareservices.org.

Sincerely,

The CCSA Scholarship Team
