

Are you currently enrolled in college?

Have you ever wanted to go back to school but been discouraged by the cost?

T.E.A.C.H. Early Childhood® Scholarships provide early childhood professionals and apprentices with money to help cover the cost of tuition, books and travel. T.E.A.C.H. scholarships also may be used along with Longleaf Commitment grants offered at community colleges.

T.E.A.C.H. can help support costs for:

- a few credits
- an early childhood certificate, diploma or associate degree
- an infant toddler and preschool certificate
- a bachelor's degree
- a specialized graduate license
- a master's degree, or
- a CDA Assessment and Renewal Credential

Scholarships are being awarded for the 2021-2022 academic year. Apply at

www.childcareservices.org/teach-nc

Effective immediately, all T.E.A.C.H. scholarship eligibility income caps have been suspended through 6/30/2022. Individuals whose earnings exceeded the previous income cap are eligible to apply for the T.E.A.C.H. scholarship throughout the ECE workforce stabilization grant period. This policy change will be revisited again for FY22-23.

"Before the T.E.A.C.H. program, I would never have attempted to take classes. I did not think, at my age and working full time, it would be possible. I have made several improvements in my program since continuing my education. Not a day goes by that I am not influenced by the positive effects of the T.E.A.C.H. program."
— Family child care provider
